

Ruby (Yeun-Ji) Lee

Business / Program Operations Coordinator

Vancouver, BC | ruby9854@gmail.com | +1 672 727 7585 | [LinkedIn URL](#)

SUMMARY

Operations Coordinator with experience supporting scheduling, process improvement, reporting, and cross-functional execution across education, corporate, and public-sector programs. Skilled at identifying operational gaps, structuring workflows and trackers, and translating shifting priorities into clear next steps.

PROFESSIONAL EXPERIENCE

FINE EDUCATION ORG

Operations Coordinator

Burnaby, Canada

Aug 2026 – Present

- Analyzed enrollment and class capacity across 5+ active programs, identifying scheduling bottlenecks and adjusting class structures based on demand and instructor availability, reducing overcapacity by 33%
- Redesigned the customer inquiry process using Google Forms and centralized spreadsheet tracking, structuring information for direct management review and reducing consultation processing time by 40%
- Screened 37 instructor applicants against program requirements, experience, and availability, advancing 10 candidates to interview and contributing to 3 hires for immediate staffing needs
- Centralized enrollment, attendance, class utilization, payment status, and follow-up needs in shared trackers, giving management clearer visibility into classes requiring scheduling or operational action

PRIME TRUE TECH LTD

Operations Assistant (Co-op)

Vancouver, Canada

Apr 2026 – May 2026

- Coordinated purchasing and logistics for SBC Summit Toronto 2026, supporting 200+ registrations and 500+ gift distributions while tracking inventory, shipments, vendor updates, and event readiness
- Evaluated vendor options against service requirements, delivery timelines, and execution risk to support purchasing decisions beyond price alone
- Managed AP/AR and operational tracking across 4 affiliated entities, giving finance and leadership clear visibility into payment status, outstanding items, and required follow-up
- Consolidated updates from leadership, finance, legal counsel, vendors, and external partners into centralized status tracking, clarifying what was pending, blocked, approved, or ready to execute

VOLUNTEERING EXPERIENCE

KOREA NATIONAL DIPLOMATIC ACADEMY

Program Support Team Member

Seoul, South Korea

Mar 2024 – Nov 2024

- Planned and executed university outreach across 20+ Seoul universities, securing an on-campus collaboration with Kyung Hee University for a public diplomacy program
- Adjusted event programming and on-site engagement based on first-day participation patterns, contributing to a 30% increase in attendance the following day

AIESEC - GLOBAL YOUTH LEADERSHIP ORGANIZATION

International Volunteer Program Team Lead

Busan, South Korea

Sep 2023 – Jan 2025

- Structured a 4-month preparation cycle for a 3-day international volunteer program, turning broad goals into timelines, role ownership, cost tracking, checklists, and handoff records for 70+ participants and 10+ volunteers
- Used survey feedback from 20+ participants to identify onboarding gaps and introduced a structured orientation flow, reducing onboarding-related questions by 23% while clarifying expectations, timelines, and participation requirements
- Coordinated local logistics for 15-20 international participants by managing reservations, payment tracking, route planning, participant updates, and day-of adjustments when schedules or on-site needs changed

EDUCATION

BA, Political Science and Diplomacy, *Pusan National University*

Busan, South Korea | March 2021 – Feb 2025

- Vice President, 2024 Executive Board — AIESEC in PNU
