Ruby (YeunJi) Lee

Operations Coordinator
Vancouver, BC | Open to Relocate | ruby9854@gmail.com | +1 672 727 7585 | LinkedIn URL | Portfolio

SUMMARY

Operations Coordinator with hands-on education operations experience in resource allocation, workflow standardization, stakeholder coordination, and KPI reporting. Reduced class overcapacity by 33% and inquiry processing time by 40% by resolving scheduling bottlenecks and redesigning intake tracking. Brings billing exception tracking, cross-functional coordination, and data-driven reporting to time-sensitive assessment delivery.

EXPERIENCE

FINE EDUCATION ORG **Burnaby, Canada**
Operations Coordinator Aug 2026 – Present

- **Reduced class overcapacity by 33%** across 7 classes by reviewing enrollment, instructor coverage, and timetable constraints, then reallocating students to improve delivery capacity.
- **Cut inquiry processing time by 40%** by standardizing intake through Google Forms, centralizing case status and follow-ups, and reducing manual handoffs between staff.
- **Built a 5-metric operating report** covering enrollment, attendance, capacity utilization, payments, and follow-ups to surface service gaps and outstanding actions for management.
- **Increased payment completion by 17.6 percentage points (64.5% → 82.1%)** by redesigning fragmented billing and follow-up workflows, implementing centralized tracking, standardized invoice statuses, and exception-handling procedures to reduce missed follow-ups and improve operational accountability.
- **Documented teaching handoffs and class workflows**, including student progress and assignment status, to support instructor transitions and continuity of service.

PRIME TRUE TECH LTD **Vancouver, Canada**
Operations Assistant Apr 2026 – May 2026

- **Maintained AP/AR trackers across 4 affiliated entities**, validating invoices and receipts, tracking exceptions, and keeping finance follow-ups visible for reconciliation.
- **Coordinated compliance updates across 3 bodies** (AGCO, GLI, eCOGRA), consolidating status and open items from legal, finance, leadership, and external partners for time-sensitive follow-up.
- **Supported 200+ registrations and 500+ event materials** at SBC Summit Toronto 2026 by tracking vendors, inventory, shipment readiness, and execution dependencies.

SELECTED PROJECTS

KOTRA deXters **Busan, South Korea**
Market Research & Data Analysis Project Apr 2025 – May 2025

- **Analyzed 92,529 campaign impressions and 426 clicks**, documenting performance insights and follow-up recommendations for a 5-day Mongolia market-entry project.
- **Standardized 11 buyer lead-capture fields** to improve inquiry completeness, reporting consistency, and follow-up coordination; project selected as a Top 10 team.

AIESEC IN PNU **Busan, South Korea**
Vice President, Talent Management | Member Experience Survey Nov 2024

- **Achieved a 76.7% survey response rate** and visualized performance across 10 member-experience dimensions to identify operational gaps across 6 teams.
- Translated survey findings into **3 actionable improvement priorities**, focusing on clearer timelines, standardized workflows, and structured feedback channels for team leads.
